INOVISH JOURNAL: Journal of Language and Innovation and English Language Teaching is committed to exploring the broad areas of language, creativity and innovation using language as a medium of information and highlighting issues in ELT. Preference is given to articles of English language; articles of this kind will be especially welcome. However, there is no restriction to articles with specifically English content. The journal is published twice a year (June and December) presenting articles containing creativity and innovations using language in producing products, analyses, studies, application of theories, research report, material development, teaching and learning languages and reviews. Contributors are invited from both members of and non-members of the English Department of State Polytechnic of Bengkalis
